

S & N LABS

FEE SCHEDULE

Fourier-Transform Infrared & Raman Spectroscopy

Qualitative	250.00 / each
Quantitative	750.00 / each
Mapping	400.00 / hr

Electron Microscopy

Scanning Electron Microscopy	400.00 / hour
Energy-Dispersive X-ray Analysis	200.00 / each or 400.00 / hour
Multi-Element X-ray Imaging	400.00 / hour

Optical Microscopy

Polarized Light Examination (typical)	100.00 / each
Photography / Photomicroscopy	75.00 / each

Chromatography

Gas Chromatography (typical)	250.00 / each
GC-Mass Spectrometry (typical sample)	350.00 / each
GC-MS Analysis of Arson Evidence or Odors	350.00 / each
GC-MS/MS or GC-MS/CI	call for quote
High-Performance Liquid Chromatography (typical)	250.00 / each
LC-MS, LC-MS/MS, Supercritical Fluid Chromatography	call for quote
Ion Chromatography (standard anions or cations)	200.00 / each
<i>(Setup fees are required for some analyses.)</i>	

Miscellaneous

Consulting (legal and industrial)	500.00 / hour
X-ray Diffraction	300.00 / each
Particle Sizing (distribution)	150.00 / each
Nuclear Magnetic Resonance (NMR) Spectroscopy	250.00 / each
Thermal Analysis (TGA, DSC)	200.00 / each
Ultraviolet-Visible (UV-Vis) Spectrometry	100.00 / each
pH Analysis	50.00 / each
Sample Filtration	75.00 / each
Formulation Breakdown	call for quote
Sample Return (minimum)	10.00
Priority Service (immediate turnaround)	100% surcharge
Minimum Billing	100.00

These fees are for typical samples and are accurate as of 2/1/2019, subject to change without notice. Samples are held for 90 days from report date. If storage beyond this time is required, arrangements must be made with the laboratory.
